

Community Meeting

Tower Oaks Stream Restoration and Stormwater Management Project

Purpose: The City of Rockville, in partnership with the Maryland Department of Transportation State Highway Administration (MDOT SHA), will provide information on the proposed Tower Oaks Stream Restoration and Stormwater Management project during a walk of the proposed project location. **We will meet at the corner of Tower Oaks Boulevard and Preserve Parkway at 6:30 p.m. Tuesday, July 11.** Public parking is available along Preserve Parkway. If you would like to join us for the entire project walk, please wear sturdy, close-toed shoes and long pants.

Project Description: The Tower Oaks Stream Restoration and Stormwater Management project was recommended in the 2011 Cabin John Watershed Study as a crucial component to the long-term health of the watershed. The goals of the project are to treat runoff from Tower Oaks Boulevard and Interstate 270 and enhance the Cabin John Creek watershed. MDOT SHA will fund construction of the project.

Location: Unnamed tributary from Tower Oaks Boulevard to Cabin John Creek.

Timeline: Design of this project is scheduled for completion in fall 2017. Construction is anticipated to begin in spring 2018.

Contact: Heather Gewandter, Rockville Stormwater Manager, at 240-314-8873 or hgewandter@rockvillemd.gov.

Hjarman Cordero, Rockville Senior Community Engagement Coordinator, at 240-314-8344 or hcordero@rockvillemd.gov

Dody Frawley, MDOT SHA Project Manager, at 410-527-0418 or dfrawley@sha.state.md.us
