

# Anderson Avenue Stormfilter Clean Out

**Project Description:** The City of Rockville will perform routine maintenance on two underground stormfilters located on Anderson Avenue between Mannakee Street and Forest Avenue. The work is scheduled for March 2018. This work is needed to maintain the water treatment ability of the stormwater management facilities. The maintenance activities include vacuuming out accumulated sediment and debris in the facility and cleaning the filters. Work is expected to last approximately one to two days, depending on weather. Anderson Avenue will remain open during the project.

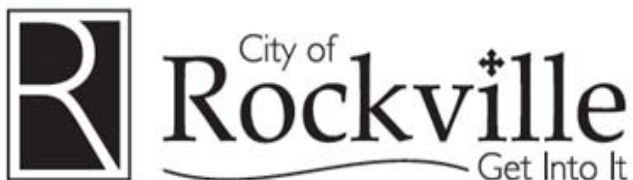

Construction noise may be heard between 7 a.m. and 5 p.m.

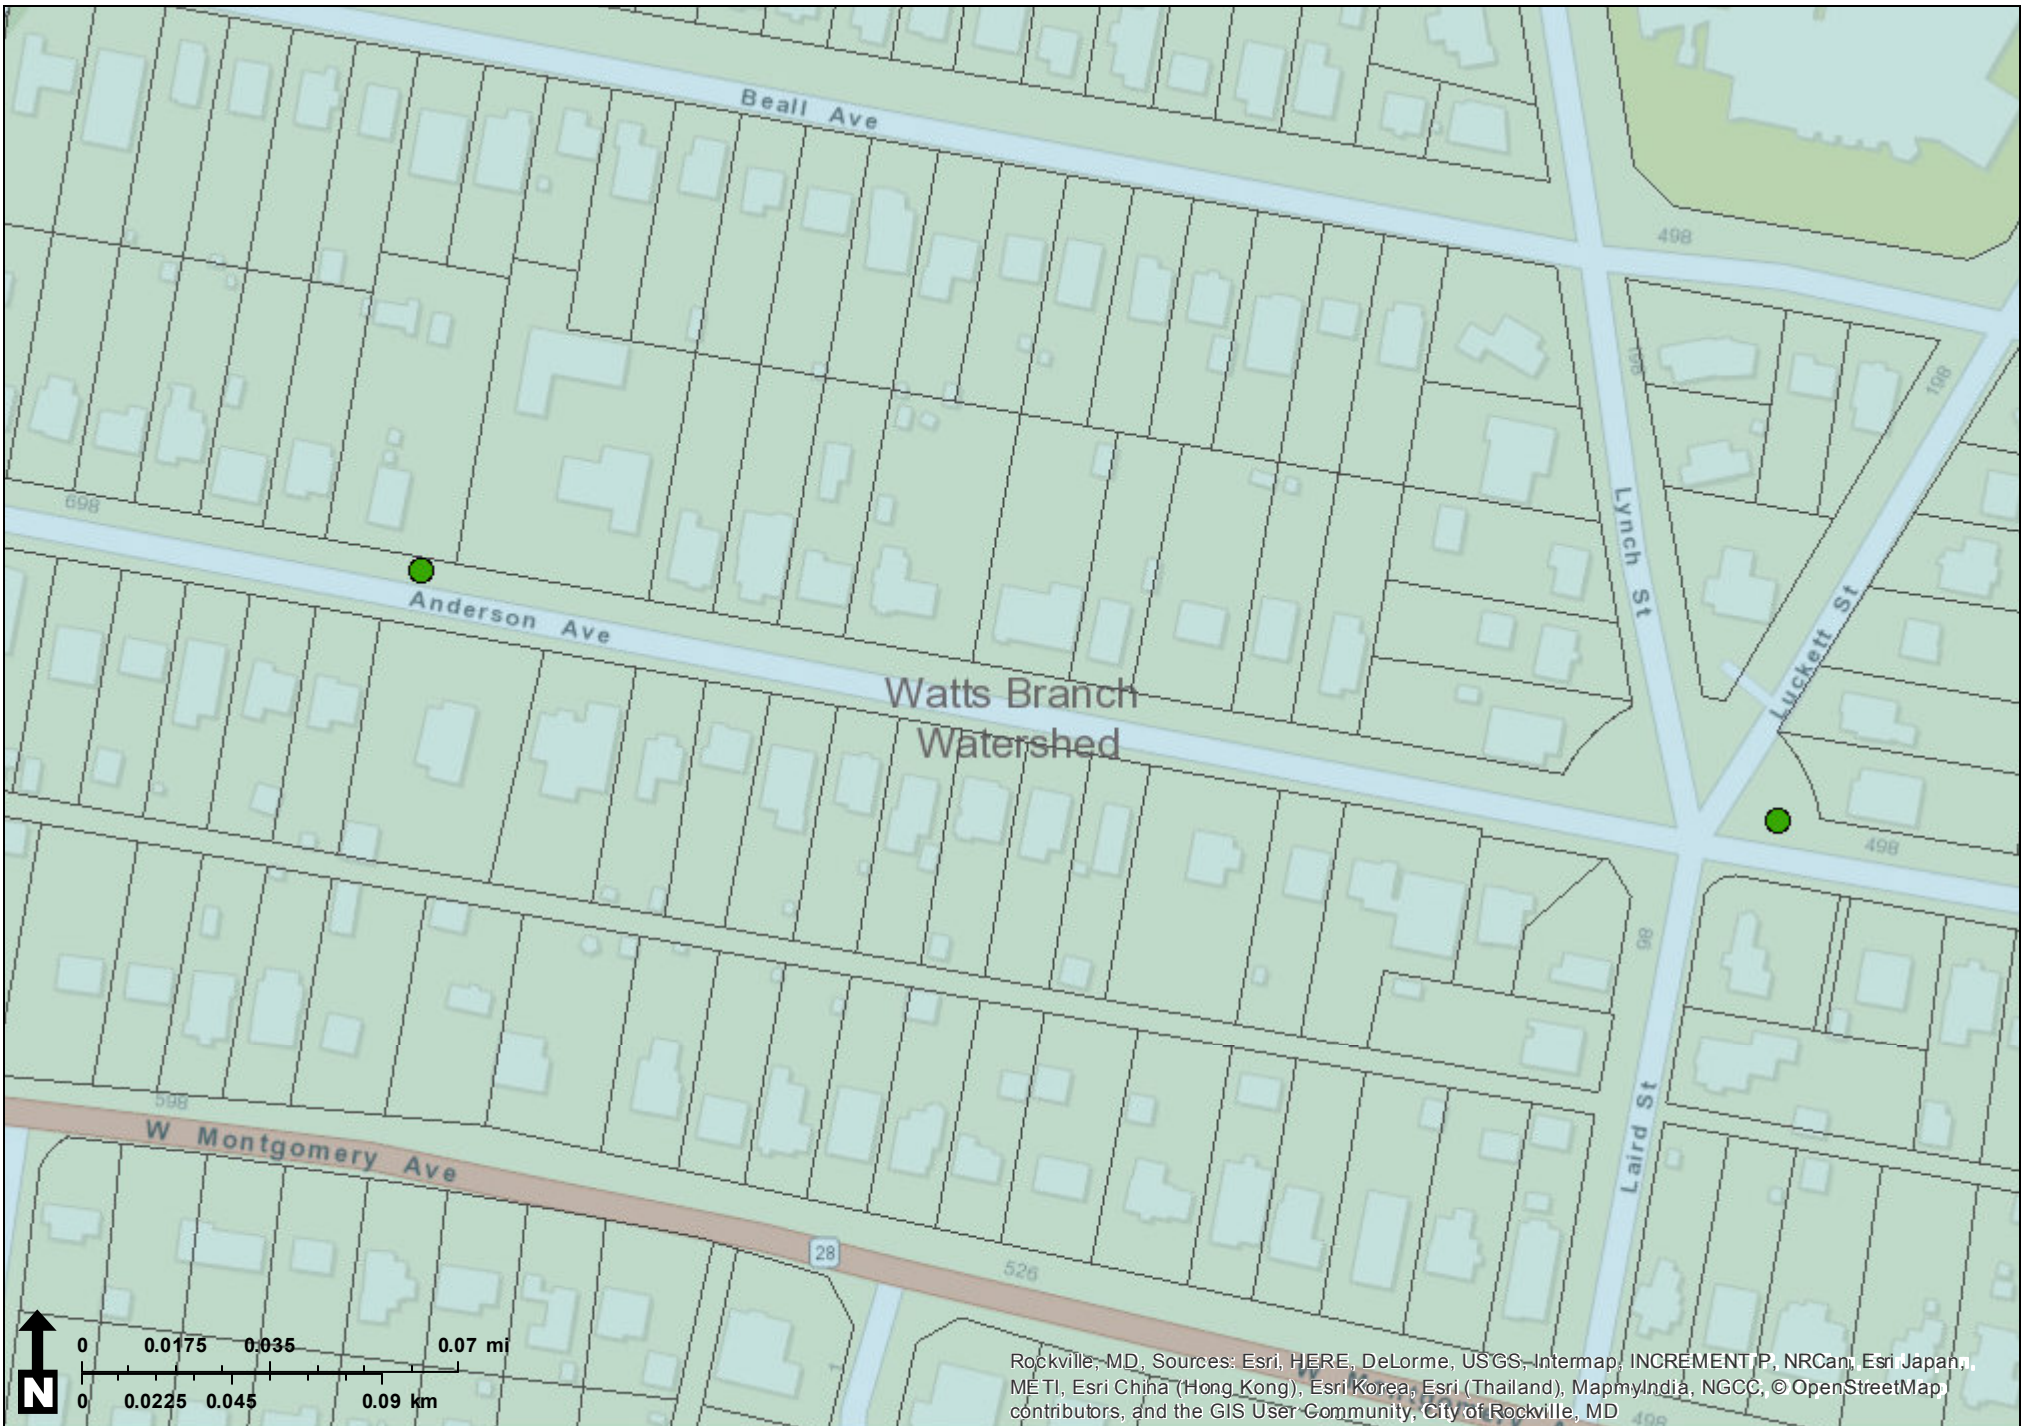

**Purpose:** Stormwater management facility maintenance work.

**Location:** A map showing the facilities' location is included on the back of this advisory.

**Timeline:** Two days during March 2018.
