### **Commission Business**

1. To discuss the potential establishment of a standard operating procedure to provide a waiver for complainants who file a Landlord Tenant concern with the City but fail to respond to City staff in a timely manner during the course of investigation due to unavoidable circumstances, such that their concern falls outside of the statute of limitations for litigation in the District Court. The goal of this meeting is to establish a standard operating procedure to apply in such cases.

The public is always welcome to attend this and any future hearings.
