

Department of Recreation and Parks Permit a Park Picnic Area

The City of Rockville has extensive parks and open spaces. Each home in Rockville is located within a short walk of a city park, and the City has more than 1,000 acres of parkland, composed of 33 passive and 32 active parks. Permit a park picnic area with restrooms for birthdays, family reunions, and other fun warm weather activities.

The Department of Recreation and Parks is responsible for caring and maintaining our parks. With community centers, a nature center, civic center, swim and fitness center, golf course and senior center, and a full range of outdoor recreation amenities, we are committed to offering a variety of recreational opportunities for all residents.

Permit holders, guests, and vendors are required to abide by all applicable Federal, State, County, and/or City public laws and ordinances when using City of Rockville facilities and property.

Permit holders, guests, and vendors shall indemnify the City of Rockville, and all of its employees, agents, representatives, and assigns, and shall save them harmless from and against many and all claims, damages, liability and expense, and/or damage to property arising from or out of any occurrence in, upon or at the rented facility and/or property or any part thereof, or occasioned wholly or in part by any act or omission of the permit holders, guests, and vendors, its agents, servants, employees, assignees or invitees. If the City of Rockville cancels the permit and/or addendum for any unforeseen reason, the permit and addendums will be reviewed and amended with a change of date or consideration of a partial or full refund.

CITY OF ROCKVILLE STAFF

City of Rockville staff are not event coordinators, nor should they be expected to assist in set-up, clean-up, or any other logistical aspect of the event. For non-alcohol picnics, the rental is considered "self-served" which means no city staff is on-site during the rental.

GENERAL INFORMATION

All park picnic permit requests and reservations are based on availability and are first-come, first-served. We do not hold park picnic areas under any circumstance.

The user group must adhere to the permitted hours stated on the permit. Overtime will be deducted from the security deposit. The permittee assumes personal liability for the cost of excessive cleanup of the premises, loss, breakage or removal of park property and responsibility for the conduct and good order of the group.

You must bring the fully executed permit and photo ID with you to your rental. The park is subject to inspection by an authorized representative to ensure proper use of park property. Permit must be in the possession of the person to whom it is issued and shown upon request to an authorized representative.

When you permit a park picnic area with the City of Rockville, you are reserving the designated picnic area only; not the entire park, sports fields, or courts. All other areas of the park, including the sports fields and courts, are to be used on a first-come, first-served basis by the public, as well as the renting group. If a City of Rockville sport team is using the sports fields or courts, then they are not to be used by the rental group. No permit can include a plan for reserving the fields for organized games as an activity.

Smoking and vaping is prohibited on City of Rockville property and/or grounds.

Any violation can result in the immediate shut down of an event and revoking of any future permit.

RESTROOM KEY PICK-UP AND DROP-OFF

The restroom key pick-up and return must be completed Monday through Friday at the Civic Center Business Office by **appointment only**. **Failure to pick-up the key will result in restrooms not being available during your permitted time.**

TRASH DISPOSAL

Not all City of Rockville parks have dumpsters. Please see page 2 to learn which parks have dumpsters.

The City of Rockville works hard to keep our grounds trash-free and beautiful for our visitors. Please help us keep our parks and open spaces clean by following our trash disposal policies:

Please bring large, durable trash bags with you to your park for trash disposal. If the park has a designated dumpster, it is required that you bag all your trash and place it in the designated dumpster at your park for disposal. If your park does not have a designated dumpster, you **must** take all your trash with you when you leave the City of Rockville property for appropriate and lawful disposal. Public and restroom trash cans cannot be used for trash disposal since they overflow when too full. Do not leave your bagged or un-bagged trash on the ground surrounding the trash cans. Failure to follow these trash disposal regulations may result in the retention of part or the entire security deposit. The amount retained is at the discretion of City of Rockville staff.

NOISE ORDINANCE AND OTHER GUIDELINES

The City of Rockville cannot guarantee the state of your park pavilion during your rental time. There may be natural and man-made debris in the pavilion and/or park picnic area because the parks are open to the public. All City park users are required to be respectful of others in the park and in the surrounding neighborhood when holding an event in the park. The use of an amplified sound system at a park event needs to be identified on the permit application. Any amplified music at a park event should be audible only in the immediate picnic area and not be the source of a noise disturbance for others in the park. Attention should be directed to bass controls. Any complaint received from another park user or neighbor must result in the volume of the music being immediately turned down and retained at the lower level throughout the remainder of the event. When in doubt, turn it down.

Maximum Allowable Noise Levels in Montgomery County, Maryland

dBA = A-weighted decibels, which are an expression of the relative loudness of sounds in air as perceived by the human ear.

CITY OF ROCKVILLE STORM POLICY

The safety of all user groups in City of Rockville parks is the top priority. If the weather includes thunder, lightning or high winds, all guests must remain inside a secure building until the conditions change and safe use of the outdoor areas is appropriate. To learn more about outdoor lightning safety tips, please review these resources when planning your picnic: U.S. Golf Association, National Weather Service, and National Lightning Safety Institute.

If you can see lightning, flee it. If you can hear thunder, clear the area. For every five seconds after seeing lightning, before hearing the associated thunder, the lightning is one mile away. Lightning storms travel faster than you think and may not be accurately reflected on radar weather maps. Guests may not return to the outdoor area until 30 minutes after the last lightning strike was seen and the last clap of thunder

was heard. Extreme winds easily blow event equipment out of place and tree branches off the trees. Picnic shelters are not a safe environment during lightning storms or high winds.
