Dear Property Managers/Owners,

The City of Rockville would like to thank you for all you are doing to help reduce the spread of COVID-19 during the pandemic, and all you are doing to continue to serve your residents.

The City of Rockville advises you to follow the guidelines produced by the U.S. Centers for Disease Control and Prevention (CDC) for keeping facilities clean and sanitary, and to keep tenants informed of vital information.

We therefore strongly recommend that you follow the guidance provided on the CDC website entitled "[Cleaning and Disinfection for Your Facility](#)." A [printable pdf with much of this information is available](#).

Of particular importance for building owners and managers is maintaining the shared and/or common areas of buildings in clean and sanitary condition. The CDC recommends cleaning and disinfecting all high-touch surfaces at least once a day and more frequently in high-traffic common areas.

Additional information and guidance, including in multiple languages, can be [found on the CDC website](#).

The City of Rockville also strongly recommends that owners/managers of all multifamily properties print out, and post prominently in common areas, the following informational flyers to assist residents in understanding best practices for staying safe and healthy, as well as their rights during this emergency:

- CDC [guidance on cleaning and disinfecting your facility](#).
- CDC guidance on [protecting yourself](#).
- Resident rights regarding Gov. Larry Hogan's [executive order suspending evictions](#).
- Helpful tips to [fight COVID-19](#).

If you have any questions, please feel free to contact the following Rockville resources:

- Code Enforcement: 240-314-8330
- Landlord-Tenant Affairs: 240-314-8320

Thank you for your attention to these matters. Together, with all members of the community doing our parts, we can move forward in as safe and healthy a manner as possible.

Kind Regards,

Robert DiSpirito
City Manager
