

**POLICE CRIME REPORT**

November 30, 2020 to December 6, 2020

**Weekly Public Safety and Crime Information**

The Rockville City Police Department is reminding drivers and pedestrians of motor vehicle and road safety. By informing yourself as a driver, bicyclist, and pedestrian of road safety, you can take steps to minimize your risk of injury and keep yourself and others safe as they travel.

**Bicyclist Safety**

- Give cyclists room. Do not pass too closely. Pass bicyclists as you would any other vehicle—when it's safe to move over into an adjacent lane.
- Bicyclists are subject to the same road laws as motor vehicles. This includes stopping at all traffic signals, stop signs, and road markings.
- Make sure if you are riding a bicycle to use designated bicycle lanes or bike paths when available
- Always travel in the same direction that vehicle traffic flows.
- If you are traveling at dawn or dusk, make sure to wear clothing that has high visibility and/or reflective gear, and have a white light and red light mounted to your bicycle, this will make you more visible to vehicles.

**Pedestrian Safety:**

- Only crossroads at marked intersections with crosswalks. If there is a pedestrian crossing signal, make sure you only cross when the walk symbol is displayed.
- Teach your child to obey traffic laws and use crosswalks if they will be walking, biking, or riding the bus to and from school.
- If your child is riding a bicycle, make sure they always wear a helmet and not to wear loose fitting clothing that could get caught in the chain or pedals of the bicycle.
- Teach your child to stay out of the street.
- Teach your child not to bend down in front of the bus, whether it's to tie their shoe laces, pick up a dropped object, etc., as the bus driver may not see him/her before starting to move.
