Community Crime Prevention Tips

The Rockville City Police would like to provide residents with a few ways to protect your community from crime.

- Get to know your neighbors
 - If you will be leaving your home for an extended period of time, ask a trusted neighbor if they can keep an eye on your property for anything out of the ordinary and to collect mail and deliveries that arrive while you are away.
 - Consider installing video monitoring systems, security systems, and motion activated lights to help increase visibility around your property.
 - Report broken windows, doors, vandalism, or suspicious activity to local law enforcement.
 - Work with law enforcement and other community residents to monitor vacant homes.
 - Contact your City, County, or Housing Authority to move snow from sidewalks, cut overgrown lawns or pick up the trash.
 - Educate your children that it is not okay to go into an abandoned or vacant house.
 - Discourage teenagers from using abandoned or vacant homes for parties.
