

POLICE CRIME REPORT

May 3, 2021 to May 9, 2021

Weekly Crime Prevention Information

In an ongoing effort to reduce crime in the city, the Rockville City Police Department would like to address the theft of packages and the theft of items from motor vehicles. These are two common crimes that people fall victim to, yet thieves can be deterred by following a few simple steps.

Preventing Package Thefts:

- Sign up for delivery alerts so you know when your delivery is scheduled. If possible, ask to be notified when your package has been delivered.
- If possible, require a signature for all deliveries.
- Consider shipping packages to your place of work instead of your home address.
- If possible, request that your package's carrier hold packages for pickup at a store or local shipping center for your respective carrier.
- If you are unable to be home for a delivery, ask a trusted neighbor if they are available to receive your package until you can pick it up.
- Be a good neighbor! If you see a package unattended on your neighbor's doorstep, reach out to them and ask if they would like you to hold onto it until they are home.

Preventing Theft from Vehicles:

- Lock your doors and close your windows! One of the best ways to prevent theft from vehicles is to secure your vehicle. Even if you are leaving the vehicle unattended for only a few minutes, a thief only needs a few seconds to remove valuables from your vehicle.
- Remove all valuables in your vehicle before securing it. This includes items like electronics (cell phones, GPS, laptops, video game systems) wallets and purses, tool kits, personal bags, cash notes and coins, jewelry, and all other items that may appear valuable.
- If you are in a situation where you have to keep valuables in your vehicle, make sure to store them in a secure space such as a locked glove box or in the trunk of your vehicle out of sight.
- If you are not planning on using your vehicle for an extended period of time, periodically check on your vehicle to ensure that it is still secure and that all valuables have been removed from the vehicle.
- Park in busy, well-lit areas. Thieves are more likely to target vehicles in areas where the chance of witnesses observing their crime is lower.
- Activate any alarms or anti-theft systems before leaving your vehicle. If your vehicle does not have one of these systems, consider investing in one.

The Rockville City Police Department is committed to protecting and serving all members of the public. By following the safety tips and resources provided above, you can help us help you by taking steps to inform yourself on public safety issues to prevent yourself from becoming a victim.
