V. SAFETY PLAN

The following plans are required of all applicants and must be completed and submitted with the application. A description for each category is provided below to assist in your planning efforts.

COVID-19

All event organizers must follow State of Maryland and Center for Disease Control guidelines in place at the time of the event. The City of Rockville has the right to revoke permits if the State of Maryland and/or Montgomery County COVID-19 restrictions are reinstated for outdoor social gatherings.

Risk Assessment

Identify potential risk associated with your event and provide preventative measures to reduce the likelihood. These should include the risk of spreading COVID-19 and how you will reduce/prevent the risk. How will you minimize the identified items?

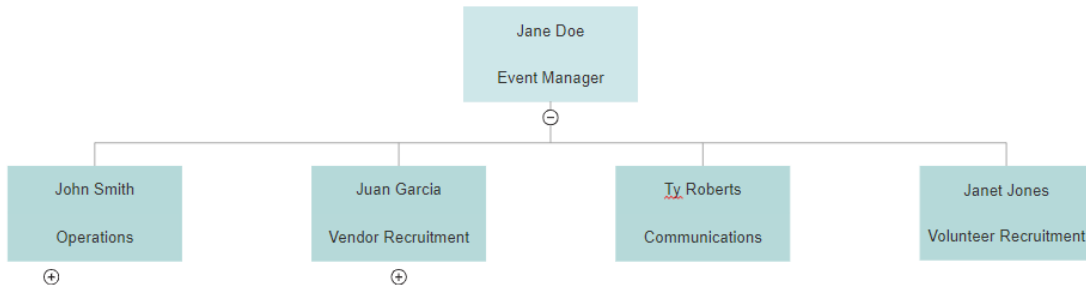

Example:

Risk of food poisoning. Preventative measure is obtaining a food license and following all food safety procedures.

Organizational Structure

Provide an event organizational structure to show basic reporting and operational structure.

Example:

Crowd Management Plan

The overall safety and enjoyment of attendees will often depend on effective crowd management. This is achieved by anticipating the behavior of the crowd and various factors that can impact it. This includes event layout, space restrictions, maximum entrance and exit points, generous movement within the festival, restrooms, food and beverage vendor access, and emergency response.

Provide a list of all groups involved with the event and their responsibility to crowd management.

Examples:

Rockville Police Department

Responsible for public safety, crowd safety and emergency response.

Runners Club of Rockville

Responsible for recruiting course marshals, training volunteers and closing and monitoring roadways.

Rockville Volunteer Fire and Rescue Department

Responsible for caring for injured individuals and determining if additional medical assistance is necessary.

Communications Plan

Include the location of the command or operations center, the lead contact for the event and how staff, volunteers and police will communicate with each other.

First Aid and Medical Plan

Identify if medical and/or fire personnel will be on site at the event and include what company the personnel are from. Include how you will train staff and volunteers to report injuries or fires. If you do not plan to have medical personnel on site, provide details on how you will deal with medical situations or fires and how you will train staff and volunteers to contact fire and rescue. Explain the internal reporting system to ensure the applicant is aware of all incidents.

Inclement Weather Management Plan

Inclement weather is inevitable during outdoor events. Submit a weather plan outlining how you will deal with rain, wind, thunderstorms, etc. The plan must include weather tracking and how you will commence clearing the site in the event of an approaching storm. Keep in mind, it's your responsibility to keep track of weather and to act in a timely manner so the public can clear the site in a calm and orderly fashion. You will also consider protecting equipment and supplies.

Structural Safety Plan

Identify the types of structures you plan to set up for your event.

Tents – Sizes and number of tents

Tents 12' x 12' and larger must be installed by a licensed contractor. Event organizers must complete and submit a Commercial Building Permit Application in order to install a tent, stage and generator on City property. A link to the application is provided in the next section. All tents placed on pavement must be weighed down with water barrels or cement blocks. All tents placed on grass must be anchored down with stakes. The sponsoring organization is allowed to set-up pop-up tents but they must be anchored down sufficiently. The sponsoring organization must contact Miss Utility prior to event day to have them mark the area prior to staking. Water for water barrels must be supplied by the contractor or sponsoring organization.

Stages – Sizes and location. All stages must meet regulation.

Generator – Size and locations. Over 10kw must be permitted.

Lost Child Management Plan

Identify how you will handle finding a lost child or parent at the event site. Identify how you will report the incident to authorities if the child or parent are not found.

Cash Operations Plan

Identify how you will secure cash operations to protect from theft.

Waste Management Plan

Trash and recycling receptacles must be provided by rental groups. All litter and recycling of any kind must be removed from the park by the sponsoring organization. Failure to abide by this regulation will result in a fee subtracted from the security deposit and denial of future rentals.

Maryland Law, at Maryland Environment Code §9-1712, requires recycling receptacles and collection a Special Events.

VI. SITE LAYOUT PLAN

The overall safety and enjoyment of attendees will often depend on effective crowd management. This is achieved by anticipating the behavior of the crowd and various factors that can impact it. This includes event layout, space restrictions, maximum entrance and exit points, generous movement within the festival, restrooms, food and beverage vendor access, and emergency response. Keep all of these items in mind when you're laying out the event site.

Include an electronic map that's to-scale with your application. The map must include the layout of major equipment including tents, stages, generators, sound equipment, fences, displays, concessions, roped off area for alcohol consumption, command/operation center and restrooms, first aid, as well as affected roadways and intersections, pedestrian entrances and exits, and parking. All site layouts must comply with ADA standards.

A lane on any closed roadway must be left unobstructed in case an emergency vehicle must access the site. Please indicate the emergency lane on the site layout plan.

If you plan to close a few blocks for a festival, include the street closure on the site layout plan. If you're closing additional roads for a race or walk, follow the procedures in Section VII – Traffic Management Plan.

VII. TRAFFIC MANAGEMENT PLAN (RACES AND WALKS)

The applicant must provide a traffic management plan if planning a race or walk which will close roads. The plan must include a race route map, intersection control table and traffic plan.

The City will not permit road closures for races or walks with less than 500 registrants.

Proposed Race Route

Provide an overview map of the proposed race route. Here's an example of a race map:

Intersection Control Table

Example:

Race Traffic Plan

Provide detailed instructions for each intersection affected by the road closures. Include personnel, times, cone quantity, set up, signs, traffic pattern and emergency contacts.

Example of a traffic plan for one intersection:

Beall Ave & Owens: 1 officer, 1 CM (post 15), 10 cones

The traffic plan will need to be reviewed by Rockville Police. They may require adjustments.

All race course marshals and volunteers must be trained on safety practices, race route overview and the traffic plan prior to the race start.

The race organizer, along with Rockville Police, are responsible for ensuring the race route is properly closed prior to the race start.

The race organizer must be in direct communication with police command and course marshals for one hour prior to the race and throughout the duration of the race.

VIII. REVIEW PROCESS

City officials will review the application and supporting documents. It may take 2 to 4 weeks for the City officials to review all documents. The applicant may be asked to attend an interagency permit review meeting prior to approval or denial. The Special Events Manager will contact you via email with the City's decision to either approve or deny the event.

IX. NEXT STEPS

If City officials give initial approval for the event, the applicant is responsible for submitting the necessary documentation at least 45 days prior to the event date.

The organizer shall furnish a new certificate prior to any change or cancellation date. The failure of the organizer to deliver a new and valid certificate will result in suspension of all payments and cessation of on-site work activities until a new certificate is furnished.

Additional Insured

The Mayor and Council of Rockville, which includes its elected and appointed officials, officers, consultants, agents and employees must be named as an additional insured on the organizer’s Commercial and Excess/Umbrella Insurance for liability arising out of contractor’s products, goods, and services provided under this contract. Additionally, **The Mayor and Council of Rockville** must be named as additional insured on the organizer’s Automobile and General Liability Policies. Endorsements reflecting the Mayor and Council of Rockville as an additional insured are required to be submitted with the insurance certificate.

XIV. CITY POLICE AND TRUCKS

Police presence may be required at certain events. You will be informed if police presence is required at time of initial approval.

Rockville City Police Officers are available to provide security or traffic control for your private event within the City of Rockville. The current rate for off-duty officers is \$67 (*subject to change*) per hour per officer, 4 hour minimum. This fee covers the City's costs for the officer's over time rate, liability insurance, vehicle and fuel.

For more information on how to hire Rockville police officers, please visit:
<http://www.rockvillemd.gov/index.aspx?nid=659>

The event organizer may be required to hire City trucks and drivers to block intersections if your event includes road closures. The trucks increase the security and reduce the risk of vehicles ramming the event site. You will be informed if City trucks and drivers are required at time of initial approval. The current rate for a City truck and driver is \$47 (*subject to change*) per hour per truck/driver, 4 hour minimum. This fee covers the City's costs for the staff over time rate, liability insurance, vehicle and fuel.

XV. PERMITS, LICENSES, WAIVERS AND INSPECTIONS

Aside from the event license, other licenses may be required.

(\$) – There is a cost associated with this license or permit.

Food License and Inspection – (\$)

The sponsoring organization is responsible for obtaining any County permits needed to serve/sell food or alcoholic beverages, once rental request has been approved by the City of Rockville.

Please contact the Montgomery County Department of Health and Human Services at 240-777-3986 or go to the following website to complete a *Temporary Food Service License Application*:

<http://www.montgomerycountymd.gov/HHS-Special/Resources/Files/LandRdocs/FoodService/temporaryfoodapplication.pdf>

Alcohol License – (\$)

The stage is available for the applicant's use. The size of the stage is 20' deep by 24' wide. There is a set of stairs provided to access the stage. The applicant must indicate if a special accommodation is necessary.

Electricity

Electricity is available in Rockville Town Square plaza. The applicant must pay the electricity fee in order to utilize this power. The applicant must rent generators at other City parks if more electricity is necessary.

Amusements

All rides or inflatables must be provided by a licensed contractor. The contractor must follow all State of Maryland regulations and schedule an onsite inspection.

Publicity Plan

What media outlets will the organization publicize this event? Print, TV, web, etc.

Banners and Signs

All signs must be temporary. Please use only freestanding signs or plastic cable ties to hang signs. Signs may only be set-up on the day of the event and must be removed at the conclusion of the event. Do NOT use tape, glue, paint or any materials that may damage surfaces. Do NOT hang signs on trees.

If any surface is damaged or painted, the sponsoring organizations may be required to pay for repair.

Solicitation

Soliciting is not permitted in City of Rockville parks.

Animals

If animals are a part of your event, you must provide a description of the types of animals and how you will manage them on the event site. All animals must be treated humanely and be provided shade, water and food. You must pick up waste and dispose of properly.

Fireworks

Fireworks are not allowed by outside groups on City property.

Balloons

Balloons may not be used as part of the events. Balloon releases are not permitted in Rockville.

Water

Water is not available at any City parks. It is the responsibility of the applicant to provide any necessary water.

Maryland Law, at Maryland Environment Code §9-1712, requires recycling receptacles and collection a Special Events.

Parking

Public parking is available in the Town Center garages. Free parking is available at a couple places in Town Center. City staff can provide you with those locations.

If you're hosting an event outside of Town Center, the applicant will need to identify suitable parking options.

XXIII. CLEAN UP

It is the applicant's responsibility to ensure the property is returned to the original condition, trash/recycling is removed, and spills are cleaned up.

If the property is not returned to the original condition, the applicant will be fined with a cleaning fee.

XXIV. PERMIT REVOKE

Rental permit may be revoked during event, or future permits denied, if improper use of the Town Center or Park area is determined, damage occurs to City property, or if sponsoring organization does not adhere to any of the above regulations.

XXV. PERMIT DENIED

The City reserves the right to deny an event if the applicant doesn't provide the necessary documentation or complete all tasks deemed necessary.

XXVI. REFUNDS

Refunds will not be made in the case of inclement weather or cancellation by sponsoring organization.

Rental fee refunds may be granted if the City cancels the event due to the delinquency of the event organizer but may be prorated for staff time.

The electricity fee may be refunded.
