

City of Rockville  
Department of Public Works

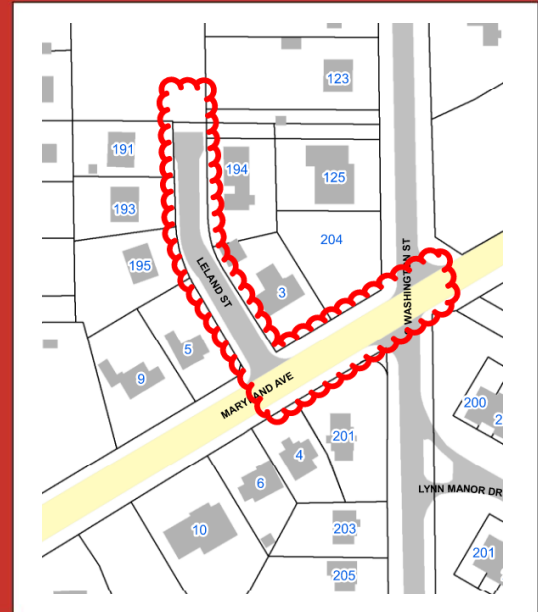

# IMPORTANT PROJECT

**What:** Field survey for sewer main rehabilitation

**When:** Starting Friday, June 3  
2022

**Where:** Leland Street and Maryland Avenue at South Washington Street

**For More Information:** See the reverse side of this advisory.

- As part of the City of Rockville's Sewer Main Rehabilitation Program, the Department of Public Works will replace pipes in the sewer system.
- The City's sewer main projects are completed in a three-step process: perform a field survey, complete a design, and construct the sewer main upgrades.
- After utilities are marked, the City's consultant, Charles P. Johnson and Associates, will begin the field survey on Leland Street and Maryland Avenue.
- Residents could see consultant crews and vehicles on their street with surveying equipment starting Friday, June 3.
- Another advisory will be mailed before construction starts.
