

City of Rockville
Department of Public Works

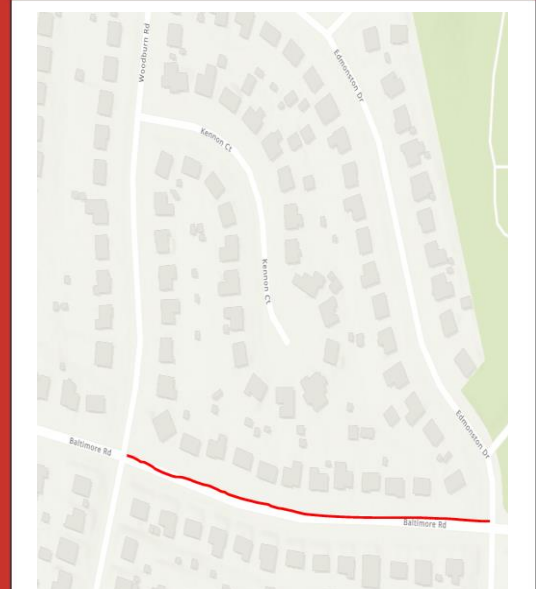

IMPORTANT PROJECT

What: Concrete installation
along Baltimore Road.

When: Expected to begin on or
about Monday, June 6.

Where: Baltimore Road
between Woodburn
Road and Edmonston
Drive.

For More Information: See the
reverse side of this advisory.

- The City of Rockville's contractor, *Locust Lane Farms*, and their subcontractors, will begin installation of concrete curb and gutter, sidewalk, and driveway aprons along Baltimore Road between Woodburn Road and Edmonston Drive as part of the Rockville Intermodal Access: Baltimore Road Improvements Project.
- Concrete operations are scheduled to begin on or about Monday, June 6, following completion of the installation of storm drain, which is currently taking place. Installation on the north side of the street is planned first, followed by the south side.
- Impacts will continue to include lane closures with flagger operations during the day, temporary driveway closures, on-street parking restrictions and construction noise.
- Signs will be posted to notify motorists and residents of parking restrictions and road closures. Residents will be notified 72 hours in advance of driveway closures.
- Project construction is expected to be completed in October.
