

City of Rockville
Department of Public Works

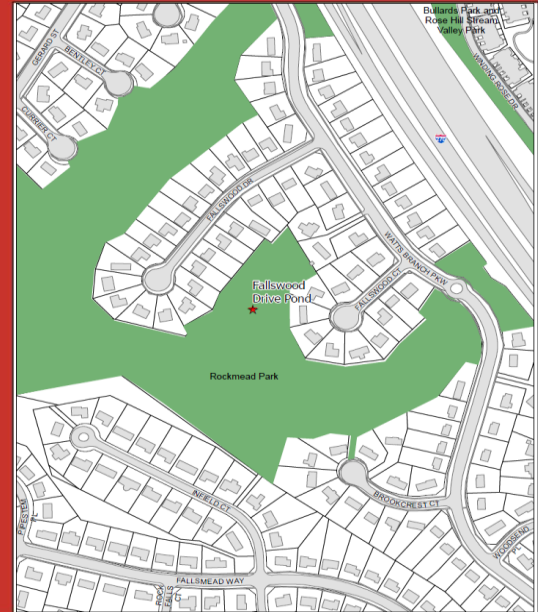

IMPORTANT PROJECT

What: Fallswood Drive Stormwater Management Facility Pond Maintenance Project.

When: Beginning Monday, June 6, weather permitting.

Where: Fallswood Drive and Fallswood Court, near the end of the cul-de-sac areas.

For More Information: See the reverse side of this advisory.

- The City of Rockville (City's) consultant, Apex Companies, will perform dry pond maintenance as part of the Fallswood Drive Stormwater Management Facility Pond Maintenance Project.
- Work is expected to begin on or around Monday, June 6, 2022, and is expected to last three weeks, weather permitting. Work will occur Monday through Friday from 7 a.m. to 5 p.m. Work scheduled for May was delayed by weather and supply chain issues.
- Impacts could include noise and parking restrictions. On-street parking areas may be reserved for construction equipment. No parking signs will be posted 48 hours in advance and may be in place for two weeks at a time.
- Project goals are to improve the facility's maintainability and to comply with State Dam Safety regulatory requirements.
