POLICE CRIME REPORT

PREPARING FOR HALLOWEEN, PART 3

Since October is just a long wait for Halloween, this month we'll highlight one set of Halloween tips per week. As the weather cools and we all seek to wrap up landscaping before winter, take the opportunity to prepare your yard for Trick-or-Treaters. Remember:

- **Clean your yard and sidewalk of any obstacles.** Children in masks may have trouble navigating your yard
- Keep your house **well-lit** – both inside and out
- On Halloween night and generally, **be strategic about access control on your property.** As noted earlier this year, access control is about more than entry--it's also about what visitors are expected to do *after* they enter. For example, installing a footpath suggests to visitors where they're expected to be, and where they're not (just remember that if a path is too inconvenient for visitors, [they may tread a path of their own!](#)).

If you have a crime or concern to report, you can call the Rockville City Police Department at:

Non-Emergency: 240-314-8900

Emergency: 9-1-1

We provide a weekly report of serious crime to serve as an overview of police activity occurring within City Limits. Please note this summary does not include every reported incident that has occurred during this time frame and that the words "arrested" and "charged" do not imply guilt.
